

ROUTE TO BD AGRICULTURE (MALAYSIA) SDN BHD

Bukit Raja Industrial, Shah Alam is linked to Kuala Lumpur via three highways.

- The original trunk road was the Federal Highway.
- To the north of the Federal Highway, there is the New Klang Valley Expressway (NKVE).
- To the south of the Federal Highway, there is the KESAS Highway.

The smoothest and fastest route to Bukit Raja Industrial is the New Klang Valley Expressway (NKVE).

- If coming from Kuala Lumpur/Petaling Jaya, enter via the Jalan Duta Toll Booth or the Damansara Toll.
- After the tollbooth, take the turning to the left going to Klang/Subang.
- Continue along the NKVE. You will pass Subang, Bukit Jelutong, Shah Alam and Setia Alam areas.
- You will arrive at the NKVE Bukit Raja Toll Plaza.
- After the toll plaza; take the turning to the left going towards "Klang/Shah Alam". Immediately after, the road will fork again. Take the turning on the left towards Bukit Raja Industrial Seksyen 7.
- Continue along the right side of this road, pass one set of traffic lights and take the right turn into Lorong Keluli 1B.
